Re: Four Degrees Easter Fundraising Golf Tournament 2013

On behalf of the Four Degrees team I would like to thank you for your generous support for the Fundraising event held over the Easter weekend. We are also pleased to inform you that through your sponsorships we managed to raise an amount of R90 000 this year which has been distributed to the Organisations as reflected on the attached Press Release. Also attached are the photos of the Prize Giving Ceremony.

Once again thank you and we look forward to your unwavering support next year.

Yours Faithfully
