

Making a difference  
in children's lives

**Company: Celcius Refrigeration**

**For Attention: Mr Paul da Silva**

**Re: Acknowledgement of receipt – Corporate Pledge – Ride for Jessica's Friends**

Dear Mr Paul da Silva,

We at Ride for Jessica's Friends would like to express our heartfelt gratitude for your generosity and taking interest in our cause. Your gift will make a difference in the lives of our chosen beneficiaries with specific treatments as well as necessary equipment which is usually not covered by medical aids, but is so desperately needed by them.

We have received the **Celcius Refrigeration** logo you sent through and have passed it on to our marketing and design team to be included on our 2014 team riding kit, in plenty of time for the new season. In addition we will also include your logo on all social media and mention your company in all other fund raising and charitable events that we are planning to still have outside of the race events which we are already participating in.

To date our teams consist of:

- 45 registered riders for the Momentum 94.7 cycle challenge in Gauteng
- 21 registered riders for the Tsogo Sun Amashova in Kwazulu Natal
- Entries for Cape Argus are not yet open

We are very happy with the response we have had with riders joining our cause and are expecting to still get a lot more riders on board as it is a trend for people to flood in with last minute registrations.

So here's to the start of a great season. Thank you again for your generous sponsorship. We hope that we will live up to our achievements of previous years and we promise to keep you updated of our progress.

With very best regards

The Ride for Jessica's Friends Team
